SHRI TANOT RAI ENTERPRISES

we make the world green

ABOUT COMPANY

STRE is led by **Mr. Khangar Singh (Sumer Singh)**, a seasoned professional with over **20 years of extensive** industry experience. He is recognized as a qualified contractor specializing in advanced construction technologies, he brings deep expertise across the oil/gas and solar sectors. Under his leadership, the company continues to grow with a strong focus on innovation, operational excellence, and client satisfaction, while effectively overseeing both the construction and solar divisions.

Founded in 2006, **STRE** was established with a vision to drive **technology-led growth in the Indian infrastructure industry**. The company delivers a wide range of services, including **Solar EPC solutions, Civil & Road Construction, Heavy Equipment & Machinery Supply, Electrical & Mechanical Works, and Manpower & Technical Support**, along with other specialized services.

At **STRE**, we are committed to **integrity, collaboration, and delivering value-driven outcomes**. Over the years, we have earned recognition as a **trusted and reliable partner** in the construction and energy sectors.

Our mission is to provide **end-to-end solutions** powered by advanced technology, skilled manpower, and cost-efficient execution—ensuring **high-quality results at the most competitive prices**.

OUR VISION

At **STRE**, our vision is to become a **leading company in India** and a recognized **global player** by delivering high-quality, affordable, and innovative solutions in logistics, infrastructure, and technical services.

We are committed to upholding the **highest ethical standards**, ensuring fair business practices, and maintaining integrity at every level of our operations.

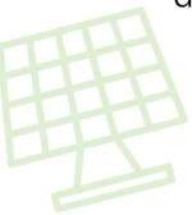

OUR MISSION

At **STRE**, our mission is to continuously evolve and deliver excellence through innovation, efficiency, and customer-centric solutions.

We strive to:

- ✔ Provide **reliable and efficient solutions** in logistics, heavy transportation, and lifting services, overcoming complex challenges with innovation and adaptability.
- ✔ Deliver **seamless and high-performance service execution**, ensuring that every project is handled with precision, speed, and professionalism.
- ✔ Build **long-term partnerships** with our clients by understanding their needs and contributing to their success through dependable support.
- ✔ Continuously **expand our capabilities and customer base** while maintaining strong relationships built on trust and performance.
- ✔ Promote a culture of **creativity, continuous improvement, and operational excellence** across all our services.

OUR SERVICES

At **STRE**, we offer a comprehensive range of infrastructure and industrial solutions designed to deliver efficiency, reliability, and quality across every project.

We provide **end-to-end EPC solar solutions with quality and precision**, ensuring seamless execution from concept to completion.

✓ Complete Solar Work Solutions

End-to-end solar EPC services from planning to execution.

✓ Land Aggregation Services

Efficient land sourcing and management for solar projects.

✓ Electrical & Mechanical Works

High-quality installation and maintenance services.

✓ Heavy Vehicles & Machinery Supply

Reliable equipment rental and supply solutions.

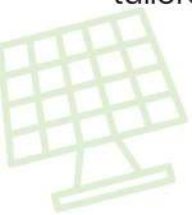

✓ Civil Construction & Earth Work

Strong foundation with expert construction services.

✓ Manpower & General Supply

Skilled workforce and essential resources for smooth operations.

We are committed to delivering **cost-effective, timely, and high-performance solutions** tailored to meet our clients' needs.

INDUSTRIES WE SERVE

At **STRE**, we deliver tailored solutions to a diverse range of industries, including **Oil & Petroleum, Construction, and allied sectors**.

With a deep understanding of industry-specific requirements, we provide reliable, efficient, and scalable services that support our clients at every stage of their operations. Our expertise enables us to adapt to dynamic project needs while maintaining the highest standards of quality, safety, and performance.

CIVIL CONSTRUCTION SERVICES

At **STRE**, we deliver high-quality civil construction services with a focus on **precision, durability, and excellence**. Using advanced technology and premium materials, our experienced team ensures **reliable, defect-free, and timely project execution**.

We offer construction of **modern buildings**, along with services like **excavation, drainage, foundation work, parking areas, and event halls**, tailored to meet diverse client requirements.

Our approach is driven by **strong project management, strict quality control, and adherence to safety standards**. We are committed to delivering **cost-effective solutions** while maintaining the highest level of workmanship and client satisfaction.

INDUSTRIES WE SERVE

BUILDING & CONSTRUCTION WORK

At STRE, we offer comprehensive building and construction services designed to meet the highest standards of quality, safety, and performance. Backed by a team of skilled engineers and industry professionals, we deliver customized solutions tailored to the precise requirements of our clients.

From residential and commercial buildings to industrial structures, we handle every stage of construction with expertise and precision. Our team leverages advanced construction techniques, modern equipment, and high-quality raw materials to ensure durable, efficient, and future-ready structures.

We emphasize meticulous planning, strong project management, and strict quality control, ensuring flawless execution at every phase. Our streamlined processes enable us to deliver projects on time while maintaining cost efficiency and operational transparency.

At STRE, we are committed to providing:

- ✓ Timely project completion with efficient workflow management
- ✓ Hassle-free execution with end-to-end support
- ✓ High structural integrity and long-lasting performance
- ✓ Client-focused solutions aligned with specific project needs

Our goal is to build not just structures, but lasting relationships through trust, reliability, and excellence in every project we undertake.

INDUSTRIES WE SERVE

EARTH & LEVELING WORK

At **STRE**, we provide comprehensive **earthwork and land leveling services** to support a wide range of infrastructure and construction projects. With our own fleet of **advanced earthmoving machinery and equipment**, we ensure efficient, accurate, and high-quality execution at every stage.

Our experienced team specializes in **site preparation, excavation, grading, and land development**, ensuring a strong and stable base for all types of construction activities. We handle projects of all scales with a focus on **precision, safety, and timely completion**.

Our Services Include:

- ✓ Excavation in all types of soil
- ✓ Land leveling and site grading
- ✓ Backfilling and compaction
- ✓ Water cartage and dust control
- ✓ Site clearing and land cleaning
- ✓ Erosion control and drainage preparation
- ✓ Environmentally responsible waste removal

We follow strict **quality and safety standards**, ensuring minimal environmental impact while delivering efficient results. Our goal is to provide **cost-effective, reliable, and durable solutions** that meet client expectations and project requirements.

INDUSTRIES WE SERVE

ROAD CONSTRUCTION WORK

At **STRE**, we are a trusted name in delivering high-quality **road construction services** designed for durability, performance, and cost-effectiveness. Our projects are widely appreciated for their **reliability, timely execution, and adherence to industry standards.**

We undertake construction of **State Highways, Major District Roads, Other District Roads, and Village Roads**, ensuring strong infrastructure development across regions. Our expertise covers **cement roads, bitumen (dambar) roads, and brick roads**, built using premium materials and advanced techniques.

Our services include:

- ✓ Road Grading & Surface Preparation
- ✓ Traffic & Safety Considerations
- ✓ Performance Monitoring & Reporting
- ✓ Surface Texture & Skid Resistance
- ✓ Abrasion Resistance & Moisture Control

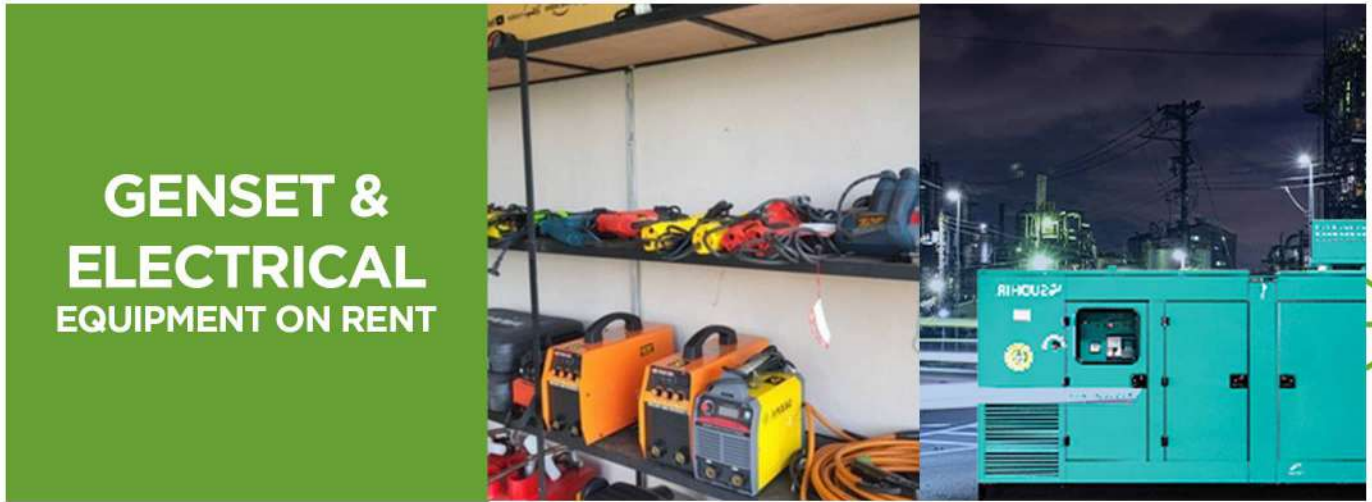

With a strong focus on **quality, safety, and efficiency**, we follow all standard safety policies and use high-grade materials to ensure long-lasting results. We are committed to delivering **cost-effective solutions without compromising on quality**, backed by a proven track record of successful road and highway projects.

INDUSTRIES WE SERVE

GENSET & ELECTRICAL EQUIPMENT ON RENT

At **STRE**, we are a trusted service provider offering **genset and electrical equipment on rent**, especially for oil field and industrial applications. We are committed to delivering reliable equipment solutions tailored to meet the specific requirements of our valued clients.

HEAVY & MACHINERY ON RENTAL BASIS

At **STRE**, we offer a wide range of **heavy equipment and machinery on rental basis** to support diverse construction and industrial projects. With a strong fleet and reliable equipment, we ensure **efficient performance, timely availability, and cost-effective**

- ✓ Poclairn (Excavators)
- ✓ Hydra & Mobile Cranes
- ✓ Farana Cranes
- ✓ Backhoe Loaders & Loading Vehicles
- ✓ Tippers & Tankers
- ✓ D.G. Sets & Tower Lights
- ✓ Truck Mixers & Road Rollers
- ✓ And all types of heavy machinery

We are committed to providing **well-maintained equipment, skilled support, and seamless service**, ensuring smooth execution of your projects.

INDUSTRIES WE SERVE

| LAND AGGREGATION SERVICES

At **STRE**, we offer reliable and efficient **land aggregation services** tailored for commercial and infrastructure projects, including renewable energy developments. Our experienced team ensures seamless execution, from land identification to acquisition, delivering precise and cost-effective solutions.

We follow a structured approach that includes **thorough due diligence, transparent negotiations, and full compliance with legal and regulatory requirements**. Our strong coordination with landowners, legal advisors, and government authorities ensures a **smooth and hassle-free process**.

Our services are widely recognized for their accuracy, **efficiency, and client-focused execution**, helping clients secure suitable land within budget and timelines. This strategic capability strengthens our position in supporting **sustainable development and large-scale projects**, particularly in the renewable energy sector.

INDUSTRIES WE SERVE

SOLAR WORK SOLUTIONS

All Types of Solar Foundation Work

At STRE, we provide comprehensive solar **foundation and cabling structure work** tailored to meet client specifications and project requirements. Our experienced team ensures **precision, durability, and quality execution** for all types of solar projects.

We deliver these services using **advanced techniques and high-quality materials**, ensuring strong and reliable foundations. Our solutions are offered at **competitive and reasonable prices**, ensuring maximum value for our clients.

Installation of Solar PV Modules

At STRE, we provide reliable **installation and maintenance services for Solar PV Modules** with a strong commitment to quality and performance. Our services are tailored to meet the specific requirements and specifications of our clients.

With in-depth knowledge and expertise, our team ensures **proper placement and installation** of solar modules to maximize sunlight exposure and energy efficiency. We focus on delivering **safe, efficient, and long-lasting solutions** for every project.

Our services are available at **competitive market prices**, ensuring excellent value and customer satisfaction.

Solar Panels

At **STRE**, we offer a premium range of **solar panels** designed to deliver high efficiency and long-term performance. Our panels are manufactured using **top-grade materials and advanced technology**, ensuring compliance with industry quality standards.

We provide solar panels in a variety of **specifications to meet diverse project requirements**, ensuring reliability and optimal energy output. Our solutions are tailored to deliver **durability, efficiency, and maximum value** for our customers.

Piling Work

At **STRE**, we provide high-quality **solar piling work** backed by the continuous support and expertise of our experienced professionals. Our services are carried out under strict supervision using **advanced technology and premium-grade tools** to ensure accuracy and durability.

We execute piling work as per the **specific requirements of our clients**, ensuring strong and reliable foundations for solar and infrastructure projects. Our services are known for their **precision, efficiency, and cost-effectiveness**, and are offered at highly competitive prices.

We focus on **proper alignment, depth accuracy, and structural strength**, ensuring that the foundation meets all technical and safety standards. Our team works closely with clients to understand their specifications and deliver results that align with project goals.

At STRE, we are committed to:

- ✓ **High precision and quality execution**
- ✓ **Timely project completion**
- ✓ **Compliance with safety and industry standards**
- ✓ **Cost-effective and reliable solutions**

Our piling services are widely trusted for their **efficiency, durability, and competitive pricing**, making us a preferred choice for solar and infrastructure foundation work.

INDUSTRIES WE SERVE

| EARTH WORK & LEVELING WORK

At **STRE**, we specialize in offering **land work services** that cater to the diverse requirements of our clients. Our company owns heavy earthmoving equipment and machinery, enabling us to deliver high-quality and efficient services.

We have successfully completed several large-scale projects with a strong focus on quality and performance. Our team of experienced engineers and skilled staff ensures smooth execution of all projects. We provide all types of land work, including **leveling, excavation, and site preparation**.

What We Do:

- ✓ Backfilling & Water Cartage
- ✓ Grading & Erosion Control
- ✓ Excavation in All Types of Strata
- ✓ Site Preparation / Land Cleaning
- ✓ Environmentally Responsible Waste Removal

TOTAL ELECTRICAL WORK

At **STRE**, we are a trusted provider of high-quality **electrical services**, known for our **cost-effectiveness, reliability, and timely execution**. Our team of skilled professionals ensures safe, efficient, and customized solutions for a wide range of industrial, commercial, and infrastructure projects.

We utilize **advanced tools, modern technology, and premium-quality materials** to deliver long-lasting and high-performance electrical systems. Every project is executed with strict adherence to **safety standards and industry** regulations, ensuring smooth and secure operations.

Our Services Include:

- ✓ Electrical Installation
- ✓ Electrical Upgrades & Ongoing Services
- ✓ High Voltage Installation & Repair
- ✓ Motor & Generator Sales & Service
- ✓ Instrumentation
- ✓ Cabling & Termination
- ✓ Light & LAN Point Installation
- ✓ Lighting & Illumination

MANPOWER PROVIDERS

At **STRE**, we provide reliable and skilled **manpower supply services**, offering complete workforce solutions tailored to meet the specific requirements of our clients. Backed by a team of experienced and technically qualified personnel, we ensure efficient execution and maximum client satisfaction.

Our strong technical expertise enables us to deliver **quality-driven and timely services**, supporting projects across various industries.

We Provide

- ✓ Engineers
- ✓ QA/QC Engineers
- ✓ Testing Technicians
- ✓ Scaffolding Supervisors & Supervisors
- ✓ Electricians
- ✓ Welders & Gas Cutters
- ✓ Fabricators
- ✓ Machine Operators
- ✓ Tube Fitters
- ✓ Riggers
- ✓ Skilled & Unskilled Workers

We are committed to delivering **dependable manpower solutions with professionalism, efficiency, and quality assurance.**

ORGANIZATION CHART

At **STRE**, our management is led by experienced professionals, including a qualified engineer as Managing Director. Our team's expertise across construction ensures efficient execution and quality project delivery.

Company Management System Staff Layout

We follow a structured approach with strong coordination across all departments to ensure smooth project flow. Our focus on leadership, planning, and teamwork enables us to deliver consistent and reliable results.

LIST OF OUR TEAM MEMBERS

At **STRE**, our strength lies in our skilled and dedicated workforce, organized across multiple departments to ensure smooth and efficient project execution.

Technical Department

- Engineers
- Survey Engineers
- QA/QC Engineers
- Supervisors
- Store Keepers
- Electricians
- Mechanical Technicians
- Fitters, Welders & Fabricators
- Riggers, Helpers & Gas Cutters

Accounts & Administration Department

- HR & Admin
- Accounts Officer
- HSE Head
- Site In-Charge
- Site Cashier

Logistics Department

- Base Manager
- Accountant
- Site In-Charge
- Office Man
- Helpers

Others

- Machine Operators
- Drivers
- Office Boys

Our team is composed of **experienced professionals and skilled** workers who are committed to delivering quality work with efficiency and safety. With strong coordination across all departments, we ensure **timely execution and successful completion of every project.**

COMPANY TURNOVER

Growth powered by quality, trust, and performance.

Financial Year	Turnover
2025-26	8,83,29,077.57
2024-25	7,01,98,625.34
2023-24	6,40,45,346.88

At **STRE**, we have consistently achieved steady growth in our turnover, reflecting our strong market presence and client trust. Our financial performance highlights our ability to successfully deliver projects across multiple sectors with efficiency and reliability.

This growth is driven by our commitment to quality, timely execution, and long-term partnerships. We continue to strengthen our capabilities and expand our presence across industries, ensuring sustainable and consistent progress.

OUR PROMOTERS

The promoters of **STRE** are highly experienced professionals with strong expertise in engineering, construction, and project management. With a clear vision and a strong commitment to excellence, they have played a key role in establishing STRE as a trusted name in the industry.

Prem Kumar
Project Manager

+91 94133-08766

Prem.baly@yahoo.co.in

Prem is an experienced civil construction professional specializing in solar PV, transmission lines, roads, and large infrastructure projects. He has worked with leading companies like ACME, Adani, Mahindra Susten, and SoftBank, and has also served as Project Head with ENI Group internationally.

He executed the first IIT Jodhpur project (18 Cr boundary wall & peripheral road) and is currently handling a 52.7 MW EPC solar project at Jaimla.

Mahipal Singh is a highly dedicated, visionary, and diligent professional known for his strong work ethic and integrity. A B.Tech graduate, he is fully committed to his profession and consistently delivers with excellence. He has recently successfully completed a 52.7 MW solar plant for ACME, showcasing his exceptional capability and commitment to large-scale infrastructure projects.
